

The 2024 Asia-Pacific Association for Teacher Education Annual Conference: Transdisciplinary Research and Practice in Teacher Education

Scholarly Individual Paper Presentation Guideline for Poster Presentation

● **Poster Dimensions**

1. Each poster presentation should cover one paper on a single panel. Size: A0 (841 x 1189 mm or 33.11 x 46.81 inches)
2. Orientation: Portrait
3. Use a light and neutral background color.
4. Ensure charts and graphs are presented with high resolution.

● **Poster Title**

- Include the conference name: "2024 Asia-Pacific Association for Teacher Education Annual Conference."
- Title: [Your Title]
- Author(s): [Name(s)]
- Affiliation(s) or Institution(s): [Position or Institution and Department]

The poster should primarily present key research findings. The provided poster template serves as a reference, but adherence to it is not mandatory. Adaptations are encouraged to best suit the content and presentation style.

● **Presentation Tips**

1. During the poster session, please stand beside your poster and engage interactively with attendees. Be prepared to deliver a concise two-minute summary of your poster while interacting with them.
2. Foster an environment conducive to questions and discussions. Remain open and approachable to all attendees.

● **Notes**

1. Print your poster independently and display it by noon on the day of the conference.
2. If the content does not fit on A0, adjust the font size or content accordingly.
3. Check the conference website for updates on the poster display time and location.
4. A certificate of poster presentation will be sent electronically to the presenter's email after the conference.
