

## **The 2024 Asia-Pacific Association for Teacher Education Annual Conference: Transdisciplinary Research and Practice in Teacher Education**

### **Scholarly Individual Paper Presentation Guidelines for Presenters**

- Please arrive at least **10 minutes** before the session.
- If a PowerPoint file is to be used for the presentation, the presenter should bring his/her portable storage device. All setups for PowerPoint files (or likewise) should be completed before the start of each session.
- The moderator of each session will give an introduction, as well as announce the rules for his/her particular session.
- Each presentation should last for **less than 15 minutes**.
- The presenter will be notified twice for the remaining time by board signs: the first one when there are 3 minutes left, and the second one for 1 minute left.
- After all of the presentations, the moderator will host the discussion.
- Each presenter will have 5 minutes reserved for discussion.
- The specific flow of the conference sessions, including the discussion time, will be determined by the session moderator on the day of the event.
- Each session moderator holds the final decision on rules and procedures.
